BEARING WORKERS BOOST OUTPUT; PUSH EFFICIENCY

NO 2 PLANT COPS STAKHANOVITE RATING -- Vechernyaya Moskva, 7 Aug 50

The Moscow Second State Bearing Plant has just been awarded the title "Stakhanovite." It has undergone tremendous changes in the last 6 months. Its output has increased one third and productivity per worker has increased 25.9 percent; its rejects have been reduced 28 percent; output per meter of production area and unit of equipment has risen 26.8 percent. Using the same amount of equipment but fewer workers, the plant achieved greater output in the first half of 1950 than in the entire year of 1940. The plant's objective now is to double the pre-war output figure per unit of production area.

The plant has 42 "excellent quality" brigades. Every one of its workers fulfills the norm. Equipment has been turned over for socialist maintenance to 88 percent of the entire personnel. In the past 6 months, the plant released 4.4 million rubles' worth of products to the national economy.

Vechernyaya Moskva, 5 Aug 50

The Moscow Second State Bearing Plant is the second plant in the system of the Ministry of Automobile and Tractor Industry to receive the title "Stakhanovite." The first was the Moscow Carburetor Plant.

WORKERS' CONFERENCE PAYS OFF -- Pravda, 25 Jul 50

A recent conference between workers of the Moscow Kalibr Plant and the Kuybyshev Bearing Plant is paying off in concrete improvement in the work of the Bearing Plant. Six shops have now qualified for the Stakhanovite rating.

PLANT WORKS THREE SHIFTS -- Moskovskaya Pravda, 10 Aug 50

The First State Bearings Plant imeni L. M. Kaganovich works day, evening, and night shifts.
